

POSITION DESCRIPTION**COMMUNITY SERVICES ASSOCIATE III**

Intensive Services Team
Center for Adult Rehabilitation Services
Region Ten Community Services Board

JOB TITLE: Community Services Associate III

GENERAL STATEMENT OF RESPONSIBILITIES:

This is a FLSA non-exempt position in which the incumbent serves as a Community Services Associate III at a Region Ten program for seriously mentally ill adults. The incumbent is responsible for developing and implementing self care skills training programs concerning individual clients (health and safety, personal care, activities of daily living, use of community resources). The incumbent will also assist clients with medication management, monitor health, nutrition and physical condition, provide assistance with personal care, ADLS and use of community resources. He/she is expected to attend team meetings, other professional meetings and represent the program to the community as needed.

The incumbent reports to the Director II for the schedule and assignment of work duties. He/she is monitored, trained and supervised in the performance of his/her tasks by the Director II. He/she is expected to perform duties as specified and according to the policies of Region Ten Community Services Board, as well as those of the Department of Behavioral Health and Developmental Services.

The HIPPA access level for this position is Level Two

The essential functions of this job are starred below (*) under "Major duties."

MAJOR DUTIES:

1. *Assessing needs and planning services, evaluating individual strengths and needs, evaluating the appropriateness of and need for various community mental health services, developing individual service plans, and monitoring and evaluating client status.
2. *Training in or reinforcement of functional skills and appropriate behavior related to clients' health and safety, activities of daily living, and use of community resources.
3. *Assisting with medication education, illness education and medication management.
4. *Monitoring of clients' health, nutrition and physical health care conditions.
5. *Working collaboratively with clients' care managers and other care providers.
6. Linking the individual directly to services and supports specified in the individual service plan.
7. *Assisting the individual directly for the purpose of locating, obtaining and effectively using community resources, including educating and monitoring information and support to family members, and providing or arranging for transportation for individuals or their family members to access services.
8. *Enhancing community adjustment and integration by developing services or supports which increase opportunities for community access and involvement, including developing community living skills, civic and recreational services.
9. Making collateral contacts with the individual's significant others (e.g. parents, friends, and siblings) to promote implementation of the service plan and optimal community adjustment.
10. *Maintaining necessary casework records to document the provision of Mental Health Support Services for Medicaid reimbursement.
11. Attending in-service training and staff development programs to enhance mental health services.
12. *Acquires and maintains valid certification in First Aid, CPR, medication administration, non-aversive behavior management and defensive driving in order to ensure the safe and efficient operation of the program.
13. Reads all agency communication (i.e., Ten, Region Ten's newsletter, e-mail, etc.).
14. Performs other duties as assigned related to program requirements and the provision of Mental Health Support Services.

QUALIFICATIONS:

In order to ensure the safe and efficient fulfillment of any travel on behalf of the board, a valid Virginia driver's license plus an acceptable driving record as issued by the Virginia Department of Motor Vehicles are required. For use of a personal vehicle to conduct Region Ten business, a certificate of valid personal automobile insurance must be provided.

Must meet certification as QMHP Adult (Qualified Mental Health Professional) as set forth by Department of Behavioral Health and Developmental Services. In addition, the incumbent must have at least entry level the following knowledge, skills and abilities.

Knowledge of: the nature of serious mental illness in adults and mental illness with chemical abuse; treatment modalities and intervention techniques, such as behavior management, independent living skills training, supportive counseling, family education, crisis intervention, discharge planning and services coordination; medical issues related to mental illness; substance abuse symptomatology; medications - side effects; different types of assessments, planning; consumers' rights; local community resources and service delivery systems, including support services (e.g., housing, financial, social welfare,
