

# The Mohr Center is a residential treatment/medical center for men struggling with substance use.

We operate on a variable length of stay model based on individual progress and need. Many of the individuals we serve are initially admitted or approved for 14 days. As treatment progresses, the Mohr Center treatment team will provide recommendations for continuing care which may include continued residential services or a referral to outpatient services.

## **SERVICES OFFERED**

- Residential Treatment
- Medication Assisted Treatment
- Care Coordination
- Psycho-education
- Auricular Acupuncture
- Clinical Services
- Family Support/ Education
- Continuing Care Planning
- Linkage to Community Recovery Networks

## **ADMISSION**

Admission is through your local Community Services Board (CSB). Region Ten is the CSB for persons in the City of Charlottesville, Albemarle, Fluvanna, Greene, Louisa and Nelson Counties. Please call 434-972-1800.

## **COST**

We accept most insurances, Medicaid, Medicaid HMOs, and offer affordable private pay rates. Assistance with payment may be available through your local Community Services Board.

## OUR PHILOSOPHY

The Mohr Center provides a compassionate space for men struggling with addiction to begin their recovery journey. The Mohr Center creates a stable foundation while introducing consumers to community-based resources that will help them to achieve long-term recovery after they leave the Mohr Center.
