

# Vaping and Juuling What's the Risk? Community Town Hall

Join the Tobacco Free Community coalition in collaboration with Charlottesville City Schools and Albemarle County Public Schools for a listening session on the vaping and juuling epidemic in our community. Help explore the current climate and issues surrounding use and knowledge of these harmful products.

**Parents of school-aged children and teenagers, teachers, and other community members are encouraged to attend.  
Light refreshments will be provided.**

## May 14, 2019

6:00 - 7:00pm

Charlottesville High School

B Commons

**Doors will open at 5:30pm**

**No registration is required. For more information contact Lindsay at 434-243-0433**
