April 25: Adult MHFA
9:00 AM - 3:30 PM

May 13: Youth MHFA
9:00 AM - 2:30 PM

Details

Mental Health First Aid 2.0 is a virtual offering of the original Mental Health First Aid course that teaches you how to identify, understand and respond to signs of mental illnesses and substance use disorders. The training gives you the skills you need to reach out and provide initial help and support to someone who may be developing a mental health or substance use problem or experiencing a crisis.

Participants will need to complete a 2-hour, self-paced class online BEFORE participating in the Instructor-led class using videoconferencing technology. Details for this will be provided to registrants prior to the Instructor-led class.

Youth Mental Health First Aid is primarily designed for adults who regularly interact with young people. It teaches how to help an adolescent (age 12-18) who is experiencing a mental health challenge or is in crisis.

Adult Mental Health First Aid is appropriate for anyone 18 years and older who wants to learn how to help another adult who may be experiencing a mental health related crisis or problem.

To register, email MHFA@regionten.org and specify the class/date you would like to register for.
