Newport News Detox and Inpatient Treatment Center

Pyramid Healthcare's Detox and Inpatient Treatment Center in Newport News provides evidence-based and multidisciplinary treatment for men and women in search of meaningful, long-term recovery or mental and emotional stability.

In addition to evidence-based treatment, clients participate in scheduled groups, individual counseling, and a variety of elective activities that support their transition to a sober lifestyle in a structured environment.

Our non-hospital program provides medically supervised services to individuals 24-hours, 7 days per week.
