

Our Philosophy

We believe that addiction is a disease that impacts every aspect of a person's life, and this is reflected in our approach to treatment. Our goal is for each woman to complete treatment feeling empowered with tools and skills to maintain recovery throughout their lives. We hold hope for each woman who enters our facility.

innovative services for mental health, developmental disabilities and substance use disorders

a better life, a better community

The Women's Center
at Moores Creek

Hope and new beginnings for young families...

The Women's Center at Moore's Creek

We are a residential treatment facility for women diagnosed with substance use disorders. Our facility offers accommodations that allow women to have up to two of their under-school aged children reside with them while receiving treatment. Residents receive a comprehensive array of services, including connection to community resources.

Services Offered

- Individual, group, and family therapy
- Peer support
- Community-based recovery support meetings
- Care Coordination
- Accudetox
- Yoga
- Parent coaching & mentoring
- Cooking & nutrition classes
- Connection to medical care
- Connection to vocational training & education
- Children's services
- Aftercare planning

Admission

We prioritize admission for pregnant and parenting women in need of substance use treatment. Admission is through your local Community Services Board (CSB). Region Ten is the CSB for the City of Charlottesville, Albemarle, Fluvanna, Greene, Louisa, and Nelson Counties. Call 434-972-1800

Cost

We accept Medicaid and offer affordable private pay rates. We also participate with some commercial insurance plans. Payment assistance may be available through your local Community Services Board.
